Foster Care Information Sessions

Support a young person to be their best, become a foster carer

Foster carers bring out the best in young people who are unable to live at home by providing a nurturing home environment so they can heal from past trauma and develop to their potential.

At MacKillop Family Services, we understand every home is different, and we can support you while you support a child to be their best.

Come along and discover what is involved in being a foster carer, the support that is available, and how you can make an immeasurable difference to children and young people who need a nurturing home.

Dates

The Grade 6 Leadership team would like to thank all the students who purchased a hot chocolate and/or a slice today. They managed to raise almost \$280 to add to their fundraising efforts which will go towards Dolly's Dream.

Dolly's Dream was set up in memory of Amy 'Dolly' Everett, aged 14, who took her own life after an extended period of bullying and cyberbullying. <https://dollysdream.org.au/>
