

Student Wellbeing & Engagement Policy

Koroit and District Primary School

PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students
- (b) expectations for positive student behaviour
- (c) support available to students and families
- (d) our school's policies and procedures for responding to inappropriate student behaviour.

Koroit and District Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture, where student participation is encouraged and valued, helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

1. School Profile

Koroit and District Primary School is a semi-rural school situated 17 km west of Warrnambool.

We have excellent facilities in a school that is also proud of their 145 year heritage and connections with the both Irish and Indigenous cultural backgrounds.

Koroit and District Primary School is committed to programs that develop the whole student and value every student.

Our Motto

I LEARN

WE BELONG

TOGETHER WE ACHIEVE

Illustrates that we are a learning community.

Our aim is to develop 'healthy relationships' through mutual respect. This will lead to confident, resilient and happy learners with a positive future.

Our students' pledge is:

We aim to respect everyone at Koroit and District Primary school, by being honest, fair and inclusive. If we make mistakes, we will try to make it right. We commit to this in the yard, in classes, on excursions and with all children, teachers and visitors. We will try our best in learning, always trying to improve. We want everyone to enjoy our school and its environment well into the future.

2. School values, philosophy and vision

Our vision is to provide a high-quality education where every child is literate, numerate, curious and care.

The KDPS school community exists to care for and educate children so that they can reach their full personal and academic potential.

KDPS is a safe, caring, and connected learning community. I learn, we belong, together we achieve is our school motto. We embed our school motto into our daily actions and interactions.

I learn; means we support every student to thrive socially, emotionally and academically.

We belong; means every child is encouraged to succeed in a safe, respectful and stimulating school.

Together we achieve; means working together and encouraging each other to do our personal best.

We follow the 4 School Agreements

Be Safe, Be Respectful, Be Proud and Be Inclusive

We are a Big Life school

A Big Life School is a school that promotes happy, active and Healthy kids is a positive, engaging environment that supports and models to support what it means to be physically, mentally, socially and emotionally healthy.

Big Life's priorities are:

MOVE

Provision of resources and opportunities, support and positive role modelling to promote healthy habits in our school community, including living active lifestyles, healthy eating, sleep and technology.

BELONG

Proactive in building a sense of belonging and connection through explicit social and emotional learning, to support students' development of positive and healthy relationships.

CONNECT

Proactive in connecting and partnering with families, carers and the broader community to strengthen the schools capacity

Our students develop relationships through mutual respect, which lead to resilient and persistent learners in a safe and inclusive teaching and learning environment. We design academic, social and emotional learning pathways to meet the needs of every learner.

3.

Wellbeing and engagement strategies

KDPS has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn.

Student Engagement Strategies

- high and consistent expectations of all staff, students and parents and carers
- prioritise positive relationships between staff and students, recognising the fundamental role this plays in building and sustaining student wellbeing
- creating a culture that is inclusive, engaging and supportive
- welcoming all parents/carers and being responsive to them as partners in learning
- analysing and being responsive to a range of school data such as attendance, Attitudes to School Survey and parent survey data
- teachers at KDPS use an instructional framework to ensure an explicit, common and shared model of instruction to ensure that evidenced-based, high yield teaching practices are incorporated into all lessons
- teachers at KDPS adopt a broad range of teaching and assessment approaches to effectively respond to the diverse learning styles, strengths and needs of our students and follow the standards set by the Victorian Institute of Teaching
- our school's Statement of Values are incorporated into our curriculum and promoted to students, staff and parents so that they are shared and celebrated as the foundation of our school community
- carefully planned transition programs to support students moving into different stages of their schooling
- positive behaviour and student achievement is acknowledged in the classroom, and formally in school assemblies and communication to parents
- monitor student attendance and implement attendance improvement strategies at a whole-school, cohort and individual level
- create opportunities for cross—age connections amongst students through school plays, athletics, music programs and peer support programs
- All students are welcome to self-refer to the Student Wellbeing Coordinator and Principal if they would like to discuss a particular issue or feel as though they may need support of any kind. We are proud to have an 'open door' policy where students and staff are partners in learning
- we engage in school wide positive behaviour support with our staff and students, which includes programs such as: Respectful relationships and Big Life.
- Programs developed to address issue specific behaviour
- opportunities for student inclusion (i.e. sports teams, clubs, recess and lunchtime activities)
- buddy programs, peers support programs

Targeted

- Koorie students are supported to engage fully in their education, in a positive learning environment that understands and appreciates the strength of Aboriginal and Torres Strait Islander culture – refer to our Eco Connect program for further information
- Our English as a second language students are supported through our EAL program, and all cultural and linguistically diverse students are supported to feel safe and included in our school including through support with our EAL services.
 - We provide a positive and respectful learning environment for our students who identify as LGBTIQ+ and follow the Department's policy on [LGBTIQ+ Student Support](#) .

- all students in Out of Home Care are supported in accordance with the Department's policy on [Supporting Students in Out-of-Home Care](#) including being appointed a Learning Mentor, having an Individual Learning Plan and a Student Support Group (SSG) and being referred to Student Support Services for an Educational Needs Assessment
- students with a disability are supported to be able to engage fully in their learning and school activities in accordance with the Department's policy on [Students with Disability](#), such as through reasonable adjustments to support access to learning programs, consultation with families and where required, student support groups and individual education plans
- wellbeing and health staff will undertake health promotion and social skills development in response to needs identified by student wellbeing data, classroom teachers or other school staff each year
- staff will apply a trauma-informed approach to working with students who have experienced trauma

Individual

KDPS implements a range of strategies that support and promote individual engagement.

- building constructive relationships with students at risk or students who are vulnerable due to complex individual circumstances
- meeting with student and their parent/carer to talk about how best to help the student engage with school
- developing an Individual Learning Plan and/or a Behaviour Support Plan
- considering if any environmental changes need to be made, for example changing the classroom set up
- referring the student to: school-based wellbeing supports- Student Support Services Appropriate external supports such as council based youth and family services, other allied health professionals, school counsellor, child and adolescent mental health services or Child First

Where necessary the school will support the student's family to engage by:

- being responsive and sensitive to changes in the student's circumstances and health and wellbeing
- collaborating, where appropriate and with the support of the student and their family, with any external allied health professionals, services or agencies that are supporting the student
- monitoring individual student attendance and developing an Attendance Improvement Plans in collaboration with the student and their family
- running regular Student Support Group meetings for all students:

KDPS is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The Student Wellbeing team plays a significant role in developing and implementing strategies help identify students in need of support and enhance student wellbeing. KDPS will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

- personal, health and learning information gathered upon enrolment and while the student is enrolled
- attendance records
- academic performance
- observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation
- attendance, detention and suspension data
- engagement with families

4. Identifying students in need of support

Koroit and District Primary School is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The Student Wellbeing team plays a significant role in developing and implementing strategies help identify students in need of support and enhance student wellbeing. Koroit and District Primary School will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

- *personal, health and learning information gathered upon enrolment and while the student is enrolled*
- *attendance records*
- *academic performance*
- *observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation*
- *attendance, detention and suspension data*
- *engagement with families*
- *self-referrals or referrals from peers*

5. Student rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education
- feel safe, secure and happy at school
- learn in an environment free from bullying, harassment, violence, racism, discrimination or intimidation
- express their ideas, feelings and concerns.

Students have the responsibility to:

- participate fully in their educational program
- display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community
- respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team. Further information about raising a complaint or concern is available in our Complaints Policy.

6. Student behavioural expectations and management

Behavioural expectations of students are grounded in our school's Statement of Values/Student code of conduct.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Bullying will be managed in accordance with our Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Koroit and District Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- *warning a student that their behaviour is inappropriate*

- *teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour*
- *withdrawal of privileges*
- *referral to the Year Level Coordinator*
- *restorative practices*
- *detentions*
- *behaviour support and intervention meetings*
- *suspension*
- *expulsion*

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- <https://www2.education.vic.gov.au/pal/suspensions/policy>
- <https://www2.education.vic.gov.au/pal/expulsions/policy>
- <https://www2.education.vic.gov.au/pal/restraint-seclusion/policy>

In line with Ministerial Order 1125, no student aged 8 or younger will be expelled without the approval of the Secretary of the Department of Education.

The Principal of Koroit and District Primary School is responsible for ensuring all suspensions and expulsions are recorded on CASES21.

Corporal punishment is prohibited by law and will not be used in any circumstance at our school.

7. Engaging with families

Koroit and District Primary School values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

We work hard to create successful partnerships with parents and carers by:

- ensuring that all parents have access to our school policies and procedures, available on our school website
- maintaining an open, respectful line of communication between parents and staff, supported by our Communicating with School Staff policy.
- providing parent volunteer opportunities so that families can contribute to school activities
- involving families with homework and other curriculum-related activities
- involving families in school decision making
- coordinating resources and services from the community for families
- including families in Student Support Groups and developing individual plans for students.

8. Evaluation

Koroit and District Primary School will collect data each year to understand the frequency and types of wellbeing issues that are experienced by our students so that we can measure the success or otherwise of our school based strategies and identify emerging trends or needs.

Sources of data that will be assessed on an annual basis include:

- student survey data
- incidents data
- school reports
- parent survey
- case management
- CASES21, including attendance and absence data
- SOCS

Koroit and District Primary School will also regularly monitor available data dashboards to ensure any wellbeing or engagement issues are acted upon in a timely manner and any intervention occurs as soon as possible.

COMMUNICATION

This policy will be communicated to our school community in the following ways

- Available publicly on our school's website
- Included in staff induction processes
- Included as annual reference in school newsletter
- Made available in hard copy from school administration upon request

Our school will also ensure it follows the mandatory parent/carer notification requirements with respect to suspensions and expulsions outlined in the Department's policies at:

- [Suspension process](#)
- [Expulsions - Decision](#)
