

Koroit and District Primary School - 19th June 2026

Here is the land.

Here is the sky.

Here are my friends and here am I

We thank the Peek Whurrong people for the land on which we learn and play.

Hands up, hands down – we're on Peek Whurrong ground.

Principal Report

Parent Teacher Interviews-

Please note that the first two weeks of Term 3 will be dedicated to Parent-Teacher Interviews.

As outlined in previous newsletters, student reports will be distributed during the final week of Term 2, with the aim of sending these home on Wednesday 24 June.

I strongly encourage all families to take advantage of the opportunity to meet with their child's classroom teacher. The reports will provide an overview of student achievement against the Victorian Curriculum standards; however, they do not capture the valuable conversations around individual learning progress, personal growth, strengths, areas for development, and future learning goals. Parent-Teacher Interviews provide an important opportunity to discuss your child's learning journey in greater depth and to celebrate their achievements together.

Please note that there is an option for a phone interview. Please indicate whether you will attend in person or online (phone)

Booking Instructions:

- Log into your XUNO account
- Parent Teacher Interviews
- Select your student, time and whether you want an "online" interview if wanting a phone call
- Click the Book button

2027 Enrolments

Please note that all 2027 enrolment applications from parents and carers are due **by 31 July 2026**.

From the 3rd to the 14th August 2026 schools will notify parents/carers of the outcome of enrolment applications. It would be great if we could have projected enrolments by the end of term two to enable us for forecast grades and grade structures for 2027.

Last Day of Term 2

Please note the last day of term two is Friday 26th of June. Children will be dismissed at 2:30pm.

Term 3 resumes 13th of July.

Save the Date - KDPS disco at Active Sportz

Xuno Approvals

Please ensure that you regularly check and respond to Xuno permissions and approvals. Over the past few events and excursions, staff have had to spend valuable time on the morning of the event contacting families to obtain outstanding permissions.

To ensure the smooth organisation of future excursions and school events, all permissions must be completed by the specified deadline. From this point forward, if permission **forms have not been submitted within the required timeframe, your child/ren may be unable to attend the event.**

As many families appreciate, the office is an extremely busy environment each morning. Chasing outstanding permissions places additional pressure on office and leadership staff and can impact the smooth operation of the school day. Your support in completing permissions promptly is greatly appreciated and helps ensure all events run efficiently for our students.

Swimming

Next week we continue our F-3 swimming program at Jayson Lamb Splash factory. The following information includes dates of swimming and times.

2/3LS 12:15-12:45

2/3E 12:45-1:15

F/1B 1:15-1:45

F/1F 1:45-2:15

Dates below:

Monday, 22 June 2026

Tuesday, 23 June 2026

Thursday, 25 June 2026

Items required

Bathers

Towel

Underwear

Extra food to eat

Drink bottle

Please note:

Swimming can be an incredibly tiring experience, particularly at the end of a busy term. Please be mindful that your child may experience some big emotions during this time as they adjust to the extra physical and emotional demands.

Foundation and Year 1 students will return to school by 2:30 pm. Parents who wish to collect their child early are welcome to do so.

Please note: Only parents with 'working with children checks' will be able to assist in the change rooms. Swimming is an important life skill in so many ways and during this time we do encourage the children to display independent skills when changing. Please be guided by the classroom teachers if helping.

Xuno Event Approvals and Payments

Xuno Event Approvals & Payments – Important Update

We would like to let families know about an important update to how events and payments are managed through Xuno.

There has been a change to the approval process for events with a cost. Parents/carers are now **unable to approve an event without completing payment at the time of approval.**

If your family has **CSEF, SSB, or a credit available**, you will see an option in Xuno to **request the use of these funds**. Once selected, a request is sent to the school for review. The school will then **approve or decline the request** based on available funds.

After you receive notification from the school, you can then **proceed with the approval process** in Xuno.

If at any time your family is experiencing financial hardship in relation to event costs, please reach out to **Tanya** for a confidential chat. We are here to support all families.

We appreciate your support as we implement this updated process to ensure accurate and efficient management of events and payments. If you have any questions, please contact the school office.

Important Dates - please pop them in your calendar.

26th of June - Dress Up as Your Future Career Day

- Assembly - 2pm start

- Last Day of Term - **2:30pm Finish**

13th of July - First day of Term 3

Highlights

Over the past fortnight at TheirCare, the children have enjoyed our Active & Sporty program, taking part in a range of energetic games, sports, and creative experiences that encouraged teamwork, confidence, and most importantly, fun. This week, our focus has been on Wellbeing & Mindfulness, where children have enjoyed activities such as Kids Yoga, baking chocolate chip cookies, exploring our new sensory and fidget toys, completing puzzles, and participating in their favourite group games. As we approach the final weeks of Term 2, we are continuing to focus on children's voice to ensure our programs remain engaging, inclusive, and enjoyable for all children. We hope everyone has a safe and relaxing holiday break, and we look forward to welcoming everyone back for more exciting adventures in Term 3.

Service Updates

Our new sensory and fidget toys chosen by the children finally arrived at the service, and the children have been so excited to explore them. These resources have been a wonderful addition to our quiet corner and sensory play routines, helping to create a calm and engaging environment for everyone to enjoy.

Winter School Holiday Program

We've selected for a fun-filled Winter Holiday Program packed with creativity, adventure, and active play! Children can look forward to exciting experiences including a Toy Story 5 movie excursion, creating their own Talking Tiffins, designing and racing cars in Car-Chow!, and taking on challenges at the Hero Training Academy. Other highlights include Heroes vs Villains, building a magical Fish are Friends Globe, a Minions and Monsters movie excursion, Fast Lane Bowling, and an Animal Sideline Safari. With a mix of crafts, STEM activities, sports, games, and excursions, there's something for every child to enjoy these holidays!

Make your home a haven for a vulnerable child

MacKillop Family Services is calling on the community to make their home a haven for vulnerable children and young people.

Throughout the region there continues to be a high demand for foster carers who can provide nurturing care and support for children in their local community full-time, short-term, or on weekends or school holidays.

Foster carers come from all walks of life. They can be working, not working or retired; married or single; in same-sex relationships; and can own or rent their home. The most essential criteria is that they care, can provide a safe and nurturing home, and have room in their home to support a vulnerable child or sibling group.

MacKillop supports foster carers with comprehensive training, ongoing advice, respite care and an around the clock helpline.

 **MacKillop Family Services**

If you think this is a role that you and your family are ready for, call MacKillop on **1300 791 677** or visit **www.mackillop.org.au/fostercare** for further information or to make an enquiry.

- Foster caring is one of the most important and rewarding roles you can play in your community. Are you able to provide a child with safe and supportive home for a few days, a month or longer? Contact MacKillop Family Services at www.mackillop.org.au/fostercare to find out more.
