

Koroit and District Primary School - 18th September 2026

Here is the land.

Here is the sky.

Here are my friends and here am I

We thank the Peek Whurrong people for the land on which we learn and play.

Hands up, hands down – we're on Peek Whurrong ground.

Principal Report

I would like to take a moment to sincerely acknowledge and thank Amy Cooper, Hayley Hoy and our Leadership Team for the incredible work they undertook during the two weeks I was away.

It was a wonderful feeling to be able to step away from the school knowing it was in such capable, committed and caring hands. Their leadership, professionalism and dedication ensured that the school continued to operate smoothly and that our staff and students were well supported throughout my absence.

On Monday night I had the privilege of watching the Grade 6 STEM GALS present at the Deakin Warrnambool. The project based on rearing calves in small spaces was incredibly informative and entertaining. The Gals are to be commended on the teamwork, inquiry into the project and their personal growth during this time.

Thank you to the many parents who completed the parent and carer survey. Your feedback is appreciated. I am happy to share the results with you when they are released.

Thank you also to the many parents who have supported classroom activities this term, this includes sporting events, in class show cases, reading helpers and family events such as Father's Day Breakfast.

Have a great break and enjoy the holidays.

Good Luck Koroit Saints

GO SAINTS!

Koroit & District Primary School wishes all the Koroit Saints Football and Netball teams competing in tomorrow's Hampden League Grand Finals the very best of luck!

We're proud to cheer on so many members of our local community. Have a fantastic days and go Saints!

Grade 5/6 Zoo's Victoria Incursion

Grade 5/6

Our Grade 5/6 students enjoyed a fascinating Zoos Victoria incursion exploring the remarkable world of bats. Students discovered that Warrnambool is home to around 15 bat species, including the critically endangered southern bent-wing bat. They learned how flying foxes act like “giant bees,” carrying pollen and spreading seeds across vast distances, while microbats eat enormous quantities of insects each night. The incursion highlighted the vital role bats play in keeping forests, farms and local ecosystems healthy—and proved that these often-misunderstood animals are certainly worth going batty about!

Deepest Condolences to Susan

Deepest condolences to Susan on the loss of her father Geoff. Susan is a pivotal part of our school environment, and we wish her all the love during this difficult time.

We also wish Susan a speedy recovery as she recovers from a recent illness. Get well soon Susan.

We miss your morning greeting and afternoon ray of sunshine.

Term Four

First day of term four is October 5th.

Connect -term three and four

This term, our Connect program has experienced some changes due to reduced staffing. We appreciate the flexibility and understanding of our families as we continue to provide a positive

and engaging program for our students. Term four will see the development of our Connect program along with Lauren's Life Skills and cooking with Lauren.

No Hat, No Play

Students are now required to wear a broad brimmed hat whilst outside as part of our No Hat, No Play policy. If you require another school hat you can purchase them in the office for \$15.00 or via the below link for our online uniform shop.

Grade structures for 2027

In the next few weeks, we will be working on our grades for 2027. If you have a wellbeing concern for your child, regarding friendships please complete the form in the office so that this can be addressed when looking at grades for 2027 by the end of term 3.

While we take all parent concerns into consideration, please understand that not every request can be accommodated due to class sizes, cohorts, teacher and the options available to us.

Roadworks on High Street - 14/09 to 25/09

Please be advised roadworks along High Street, Koroit from Mills Street to Horne Street will be commencing on Monday 14 September 2026 for approximately 2 weeks, ending on Friday 25 September 2026.

During these works a temporary road closure will be in place during the day along High Street from Wrights Road to Mills Street.

During the road closure a detour route will be provided along Wrights Road, McVicar Street and Mill Street.

Access to local properties and business will still be permitted.

Xuno Approvals

We are continually following up on Xuno approvals on the morning of excursions. Please ensure that you are on top of school events and ensure that approval is completed **48 hours prior to the event**.

All events that occur outside of the school ground will have a Xuno notification and approval. This is a part of our child safety requirements.

Bushfire Preparation Information

In preparation for the upcoming bushfire season we would like all families to note the below information. It is critical that we have all contact details up to date including mobile phone numbers. Please reach out if you need to update any of your information.

Newsletter and website article: Schools in Category 3 on the Bushfire At-Risk Register and the Category 4 List

School preparations for the bushfire season

Each year, we undertake a range of activities to ensure the safety of our school and to prepare for bushfires and grassfires.

An important part of this process is communicating to parents what will happen when certain fire danger ratings are issued to help ensure the safety of students and staff.

Our school has been identified as being at risk of bushfire or grassfire and is a Category 4 school.

Our school will **close** on a day forecasted as **Catastrophic fire danger rating** in **South West fire district**.

Closure of the school due to a Catastrophic fire danger rating will be enacted when the Bureau of Meteorology forecast and related public safety messaging are confirmed. Due to uncertainties in the forecast, the timing of this confirmation may vary. Information regarding potential or confirmed Catastrophic fire danger days will be communicated to you by Xuno message and Email.

It is also important to be aware that:

- No one will be on site on days where the school is closed due to a forecast Catastrophic day.
- Out-of-school-hours care will also be cancelled on these days.
- All bus routes that travel through the Catastrophic area will be cancelled.
- School camps will be cancelled if a Catastrophic fire danger rating day is forecast for fire weather district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

As part of preparing our school for the fire season, we have updated and completed our Emergency Management Plan and cleared our facility's grounds and gutters.

What can families and the school community do to help us prepare?

- Ensure we have your current contact details, including your mobile phone numbers.
- Keep in touch with us by reading our newsletters, checking our website <https://www.koroltps.vic.edu.au/>, by talking to your child's teacher or any other member of staff about our emergency management plan.
- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements if our school is closed due to Catastrophic fire danger. Further information can be found on the [CFA's website](#).

- Action your family's bushfire survival plan if your own triggers are met. Our school community may be spread out across many areas and some families may be at higher risk than others. Your family's safety is critical, so please let us know if you are actioning your bushfire survival plan and if your children will be absent on these days.
- If your child is old enough, talk to [them about bushfires](#) and your family's bushfire survival plan.

Families are encouraged to action their [Bushfire Survival Plan](#) on Catastrophic fire danger rating days in their district. The safest option is to leave the night before or early on the morning of the Catastrophic day. **On such days, children should never be left at home alone or in the care of older children.**

Frequently Asked Questions

What is the department's policy?

The Department of Education annually assesses the fire risk of all schools and early childhood services with the support of the Commonwealth Scientific and Industrial Research Organisation (CSIRO). They are allocated a category of risk (categories 0 to 6). Schools and services that are Categories 0-3 are published on the [Bushfire At-Risk Register \(BARR\)](#). Schools at some risk of bushfire and grassfire are published on the [Category 4 List](#).

The department's [Bushfire and Grassfire Preparedness Policy](#) requires all schools and early childhood services on the BARR and the Category 4 List to close when a Catastrophic fire danger rating day is forecast in their fire weather district. All school bus routes which travel in or through a district with Catastrophic fire danger must also be cancelled.

The policy also requires that schools at the highest risk of bushfire (those in Categories 0, 1 and 2 of the Bushfire At-Risk Register) enact pre-emptive action plans based on the fire danger forecast for their Local Government Area (LGA).

Who issues fire danger forecasts?

The Bureau of Meteorology (BoM) provides public fire danger rating forecasts each day of the fire danger period using fire weather district areas. In Victoria, there are 9 fire weather districts, which are based on Local Government Area boundaries.

The department uses these forecasts when supporting schools to enact their pre-emptive bushfire actions plans.

BIG LIFE

Term 3 Weeks 9 & 10

During weeks 9 & 10, students explore being an **upstander**.

An upstander (HELPER) is someone who notices unkind or unfair behaviour and chooses to take kind and safe action.

A bystander (WATCHER): Someone who notices unkind or unfair behaviour but doesn't take action to help.

Building upstander behaviours is a way to promote a positive climate in classrooms and schools, reduce the instance of bullying, and show students they have the power to have a positive impact in tricky situations.

Ways We Can Be an Upstander:

1. Speak up with kind words: "That's not okay" or "Stop, that's hurtful."
2. Include someone who is left out or cheer someone up.
3. If someone's being unkind, distract or change the subject in a safe way.
4. Tell a trusted adult if someone is hurt, scared, or being treated unfairly.
5. Check in with the person after the event and ask how they are going.

Using the same words and strategies at home can help children feel more confident to act as upstanders with their peers.

Big Life with Mel

On Friday of Week 10, F/Is explored ways we can be **strong** and ways we can be **gentle**. Grade 2/3s created posters to encourage others to be **upstanders** when they see unsafe or unkind behaviour.

Highlights

Some highlights over the past couple of weeks have included our very successful Cooking Week! We enjoyed making and tasting lots of yummy foods, including homemade sausage rolls, pancakes, fried rice, French toast and carrot cake with delicious buttercream icing. It was wonderful to see children of all ages engaged and involved, while learning about kitchen safety and developing important life skills. I hope families enjoyed tasting some of our creations if the children brought them home to share! We have also been enjoying some beautiful spring weather, which has been perfect for our 'Spring Has Sprung' theme. For our final week of Term 3, we will be enjoying all of our many favourite games and activities. It will be a very big and exciting week for the children, and we want to make the most of it by having lots of fun, making memories and enjoying our final days of TheirCare.

Service Updates

The children have had the opportunity to suggest some new resources they would love to enjoy next term, which is super exciting! We can't wait to see some of their ideas come to life and continue creating an environment that reflects their interests and ideas.

Upcoming

The Spring School Holidays, our All Stars Arena will be in full swing! We have lots of fun and exciting activities, games and excursions planned for the children to enjoy. It will be a fantastic opportunity for everyone to have fun, try new things and make some wonderful holiday memories! We hope everyone has a safe, happy and relaxing school holiday break! Enjoy this special time with your families, and we look forward to seeing everyone back for an exciting Term 4 – our final term of 2026!

DAD'S NIGHT OCT23

Warrnambool Football & Netball Club 5:30PM

This event provides an opportunity for fathers and their 12-14 year old sons to have an evening filled with food, fun and, importantly, connection. This event is also open to boys accompanied by another male role model in their life such as a family member or friend, mentor or coach.

Participants will have the opportunity to enjoy some fun activities and meaningful conversations as well as connect with other men and boys from the local community.

Highlights Include

- Fully facilitated evening
- Games and team-based activities
- Honest conversations
- BBQ by donation to support the Warrnambool Football & Netball Club

This event is aimed at creating a community of support around the boys of the Warrnambool region so that they can thrive and become the best they can be while strengthening connection and relationships.

CREATE. COLLABORATE. PERFORM

Over four days, young performers will work together as an ensemble to create their own original theatrical performance from the ground up. Through drama, improvisation, character development, storytelling, writing, movement and theatre-making, participants will contribute ideas and help shape the show they ultimately perform.

Led by award-winning performing artist Jennifer Monk, the camp is designed to give young people a genuine experience of creating theatre as an ensemble. And on the final day...THEY PERFORM IT LIVE!

For four days, they won't just learn about theatre. They'll MAKE it.
