

Koroit and District Primary School - 9th October 2026

Here is the land.

Here is the sky.

Here are my friends and here am I

We thank the Peek Whurrong people for the land on which we learn and play.

Hands up, hands down – we're on Peek Whurrong ground.

Principal Report

Welcome back to term four. Term four is always jam packed with learning and extra curricula activities. This term we have two camps - grade 5/6 to Ballarat and grade 2 sleep over. Towards the end of the term, we will have end of year excursions, with planning well under way for these.

With the weather warming up children will be encouraged to wear sunscreen whilst playing outside. If your child requires a specific sunscreen could you please ensure that it is packed in their bag ready for use.

If you have a child requiring medication could you please ensure that the office is aware of any recent changes.

Assemblies for term 4

Assemblies for term four will be the middle and end of the month.

Wishing Tate and King all the very best today at the Regional Athletics.

Today we had two students representing KDPS at the Regional Athletics.

Kingston participated in the 1500m and the 800m coming 4th and 8th respectively.

Tate participated in the 200m coming first in his heat but unfortunately not in the top three times.

Congratulations to you both you should be very proud!

Reports Term Four

The way we do reports is changing Victorian wide.

The Department of Education has updated its student reporting policy to support a more consistent statewide approach to reporting student achievement and progress. The changes are intended to make reports clearer for parents and easier for teachers to prepare. Where comments are used, they provide plain English information about what a student has learned, and the progress they have made. The updated approach will also improve the consistency of information shared when students move between schools, particularly from primary to secondary school.

What's changing in our reports

Your child's report will illustrate their progress and achievements in each learning area and capability, showing:

- your child's achievement level in each learning area and capability for that semester. This will be rated against a 5-point scale.
- their progress since the last report
- a brief summary comment (primary)
- a general rating of your child's effort and conduct (primary)
- a rating of your child's effort and conduct in each learning area and capability (secondary)
- a brief general comment (specialist school)
- achieved learning goals (specialist school)

How we'll keep in touch during the semester

You can check your child's learning anytime. Just log into Seesaw parent portal.

If you have any questions about these changes, please contact the school. I have attached an image of the proposed 2027 report format. KDPS will begin the transitioning process this year ensuring that we provide a clear, explicit description of your child's learning in core learning areas (Literacy and Numeracy).

Achievement and progress report

This report provides a summary of achievement and progress across all learning areas and capabilities taught in Semester 2.

School name: Example name

Year: 3

Class: 3A

Semester: 2

Student name: Example name

Attendance: 100%

Summary

[Student's name] has made good progress this semester. They can now write stories on their own with events in the right order. They use capital letters, full stops and joining words correctly. These skills were difficult for them in Semester 1. In Maths, [Student's name] has also progressed. They previously could recall the times tables for twos, fives and tens. Now they use those facts to solve everyday problems with multiplication and division.

Effort and conduct

Rarely

Usually

Always

Makes their best effort

Interacts well with others

We say goodbye to Susan

Our incredible crossing lady - Susan has unfortunately been struck with illness last term resulting in her making the decision to prioritise her health. Susan is retiring effective immediately.

We have been fortunate to have Susan for 17 solid years. She knows our kids, get behind the kids in every way, supports staff, gets involved in all extra curricular activities and greets each child and family with such compassion and respect. I thank her on behalf of the KDPS family for investing in us and becoming a treasured part of our educational setting.

We have been incredibly fortunate to have Susan as part of our school community for 17 wonderful years. Throughout this time, she has become so much more than our crossing lady. She knows our children, champions them in every way, supports our staff, enthusiastically gets involved in our many extracurricular activities, and greets every child and family with genuine compassion, warmth and respect.

Susan has made a lasting and treasured contribution to the KDPS family, and her presence will certainly be missed.

On behalf of the entire KDPS community, I would like to sincerely thank Susan for the 17 years she has invested in our school, our children and our families. We are so grateful for the care, kindness and commitment she has shown, and for the special place she has created for herself within our educational community.

We wish Susan all the very best for her retirement and, most importantly, hope this next chapter allows her the time and space to focus on her health and wellbeing.

I wanted to let you know that due to ongoing health issues I won't be returning to School Crossing.

To KDPS students, thank you for being so polite, well-mannered and friendly. I will miss you all.

To staff and parents, thank you so much for your friendship and support.

I have been "Lollypop Lady" for 17 years and have loved it. It's been a privilege.

I hope to keep in touch and see you at school functions.

Kind regards

Susan.

Dad's Night at Warrnambool Football and Netball Club

Dear Parents,

I would like to share with you some information about an upcoming event happening in our region.

On Friday 23rd October [Joel Hines](#) is running a "Dad's Night" at Warrnambool Football and Netball Club for boys between 11 - 14 and their fathers or a significant man in their life.

This event is aimed at creating a community of support around the boys of the Warrnambool region so that they can thrive and become the best they can be while strengthening connection and relationships.

The evening is completely free thanks to the generous support of Community Bank Port Fairy and District.

Register your interest or find out more [here](#).

Spring Music Festival

On Monday of next week, grade F/1, 3/4 including grade 3 students from 2/3 will be attending the Spring Music Festival. ***Students learn how to make anything possible with just their own ears and minds, and are shown how to create beyond their wildest dreams by following their heart's imagination.***

Staff attending include Mrs. Sheehan, Mr. Ellison, Mrs. Foggenberger, Miss Bant, Mrs. Walkley, Mrs. Barker, Ms. Iles, Mrs. Rivett, Ms. Hoy and Mr. Kane

Collins Booksellers - Kids Club

This year we decided to support our local Collins Booksellers with the introduction of Kids Club to our school. This is similar to the Bookclub we have had in the past with the added bonus of supporting local. All students will have received a copy this week. Orders are due 31st of October and delivered to the school on the 9th of November. This is the perfect time to start your Christmas shopping!

Let's get behind local business!

Connect -term three four

This term, our Connect program has experienced some changes due to reduced staffing. We appreciate the flexibility and understanding of our families as we continue to provide a positive and engaging program for our students. Term four will see the development of our Connect program along with Lauren's Life Skills and cooking with Lauren.

This week Lauren has taken some children out to work in the garden. Lauren has shared how wonderful the children were working alongside her to improve our garden area.

Next week Mrs Ryan will be out of the classroom on Tuesday to ensure children are able to get outside in the veggie garden. Lauren will also be running her cooking program on Tuesday and Thursday will begin her Lego and games program on Thursdays.

No Hat, No Play

Students are required to wear a broad brimmed hat whilst outside as part of "No Hat, No Play". If you require a school hat you can purchase them in the office for \$15.00 or via the below link from our online uniform shop.

Grade structures for 2027

Grade structures for 2027 are currently being developed and reviewed by all staff. As per last year all children will experience five transition visits with their classroom teacher of 2027 where

possible. Transition dates are: 11th, 18th and 25th November, the 2nd of December and 8th of December from 2:30-3:25. We look forward to the children building relationships with their peers before the 2027 school year.

Roadworks on High Street - October & November

Please see the attached information regarding roadworks in October and November that may affect your travels to and from school.

1 October 2025
Dear Resident/Stakeholder,
Roadworks Notification High St, Kerolt (Horne St - Commercial Rd)
Council wishes to advise residents and businesses that streetlights and road improvement works will be undertaken along High Street, Kerolt between Horne Street and Commercial Road. The project has been divided into three construction sections to minimise disruption and allow works to be completed efficiently.
Construction Sections
Works are scheduled to occur between October and November 2025, subject to weather conditions and contractor availability, between 7am and 5pm Monday to Friday, with the possibility of some weekend work. Estimated construction dates for each section is provided below.

Construction Section	Estimated Schedule
Section A: Horne Street to King Street	5 Oct - 6 Nov
Section B: King Street to King Street	5 Oct - 6 Nov
Section C: King Street to Commercial Road	25 Oct - 27 Nov

Important Information for Residents and Businesses
During construction working hours, the following traffic and access arrangements will apply:

- Section of High Street will be closed to through traffic, with roadworks taking place in the centre of the road, with detour routes clearly signposted.
- Access for local residents, businesses, deliveries and emergency services will be maintained at all times.
- On-street parking will not be permitted within the work areas during construction activities.
- Traffic management, detours and reduced speed limits will be in place to ensure the safety of workers and road users, where drivers are to obey roadwork and closure signage.
- Reduced access will be maintained where possible; however, some footpath closures may be required during specific stages of the works.

Phone: 0355 656 544
Email: community@moyneshire.vic.gov.au
Address: 100-102 High Street, VIC 3206

Victoria Park Access & Parking
During periods when works are occurring in Section B: King Street to King Street, access to Victoria Park will be maintained via the King Street entrance. Residents and visitors are asked to follow all temporary traffic signage and directions from traffic controllers.
During the Section B works, on-street parking will be permitted along the Footage of Victoria Park. Users are requested to park in front of the Boardwalk Gardens or within Victoria Park and access via the King Street entrance.
Thank You for Your Cooperation
Council appreciates the patience and understanding of residents, businesses and visitors while these important improvements are undertaken. These works will enhance the safety, accessibility and appearance of High Street for the benefit of the community.
If you have any questions regarding the project, please contact me on 0355 656 544.
Yours sincerely,

Paul Gough
Manager Engineering

Phone: 0355 656 544
Email: engineering@moyneshire.vic.gov.au
Address: 100-102 High Street, VIC 3206

Geelong Cats item found

If your child is missing a piece of Geelong Cats clothing after our "Footy Colours Day" please check with the office. Type of item and size will be required.

Xuno Approvals

We are continually following up on Xuno approvals on the morning of excursions. Please ensure that you are on top of school events and ensure that approval is completed **48 hours prior to the event.**

All events that occur outside of the school ground will have a Xuno notification and approval. This is a part of our child safety requirements.

Bushfire Preparation Information

In preparation for the upcoming bushfire season we would like all families to note the below information. It is critical that we have all contact details up to date including mobile phone numbers. Please reach out if you need to update any of your information.

Newsletter and website article: Schools in Category 3 on the Bushfire At-Risk Register and the Category 4 List

School preparations for the bushfire season

Each year, we undertake a range of activities to ensure the safety of our school and to prepare for bushfires and grassfires.

An important part of this process is communicating to parents what will happen when certain fire danger ratings are issued to help ensure the safety of students and staff.

Our school has been identified as being at risk of bushfire or grassfire and is a Category 4 school.

Our school will **close** on a day forecasted as **Catastrophic fire danger rating** in **South West fire district**.

Closure of the school due to a Catastrophic fire danger rating will be enacted when the Bureau of Meteorology forecast and related public safety messaging are confirmed. Due to uncertainties in the forecast, the timing of this confirmation may vary. Information regarding potential or confirmed Catastrophic fire danger days will be communicated to you by Xuno message and Email.

It is also important to be aware that:

- No one will be on site on days where the school is closed due to a forecast Catastrophic day.
- Out-of-school-hours care will also be cancelled on these days.
- All bus routes that travel through the Catastrophic area will be cancelled.
- School camps will be cancelled if a Catastrophic fire danger rating day is forecast for fire weather district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

As part of preparing our school for the fire season, we have updated and completed our Emergency Management Plan and cleared our facility's grounds and gutters.

What can families and the school community do to help us prepare?

- Ensure we have your current contact details, including your mobile phone numbers.
- Keep in touch with us by reading our newsletters, checking our website <https://www.koroitps.vic.edu.au/>, by talking to your child's teacher or any other member of staff about our emergency management plan.
- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements if our school is closed due to Catastrophic fire danger. Further information can be found on the [CFA's website](#).

- Action your family's bushfire survival plan if your own triggers are met. Our school community may be spread out across many areas and some families may be at higher risk than others. Your family's safety is critical, so please let us know if you are actioning your bushfire survival plan and if your children will be absent on these days.
- If your child is old enough, talk to [them about bushfires](#) and your family's bushfire survival plan.

Families are encouraged to action their [Bushfire Survival Plan](#) on Catastrophic fire danger rating days in their district. The safest option is to leave the night before or early on the morning of the Catastrophic day. **On such days, children should never be left at home alone or in the care of older children.**

You can find more information on emergencies, warnings and preparedness actions here:

- VicEmergency app – that can be downloaded on your android and iOS mobile devices

- ABC local radio, Sky News and other emergency broadcasters

Frequently Asked Questions

What is the department's policy?

The Department of Education annually assesses the fire risk of all schools and early childhood services with the support of the Commonwealth Scientific and Industrial Research Organisation (CSIRO). They are allocated a category of risk (categories 0 to 6). Schools and services that are Categories 0-3 are published on the [Bushfire At-Risk Register \(BARR\)](#). Schools at some risk of bushfire and grassfire are published on the [Category 4 List](#).

The department's [Bushfire and Grassfire Preparedness Policy](#) requires all schools and early childhood services on the BARR and the Category 4 List to close when a Catastrophic fire danger rating day is forecast in their fire weather district. All school bus routes which travel in or through a district with Catastrophic fire danger must also be cancelled.

The policy also requires that schools at the highest risk of bushfire (those in Categories 0, 1 and 2 of the Bushfire At-Risk Register) enact pre-emptive action plans based on the fire danger forecast for their Local Government Area (LGA).

Who issues fire danger forecasts?

The Bureau of Meteorology (BoM) provides public fire danger rating forecasts each day of the fire danger period using fire weather district areas. In Victoria, there are 9 fire weather districts, which are based on Local Government Area boundaries.

The department uses these forecasts when supporting schools to enact their pre-emptive bushfire actions plans.
