

Koroit and District Primary School - 16th October 2026

Here is the land.

Here is the sky.

Here are my friends and here am I

We thank the Peek Whurrong people for the land on which we learn and play.

Hands up, hands down – we're on Peek Whurrong ground.

Principal Report

This week, I have had the absolute privilege of receiving positive feedback on several occasions about our KDPS students.

The first was in relation to our Grade 3/4 and 5/6 students who participated in the Cricket Clinic. The second was feedback from staff about our Foundation/1 and Grade 3/4 students, who represented KDPS so beautifully at the Spring Music Festival.

It was particularly lovely to hear that our students truly shone in their respect for others, listening skills and behaviour. These moments are a wonderful reflection of the values we promote at KDPS and the pride our students take in representing our school and community.

We also had the very impressive drive and commitment shown by King and Tate last Friday in the Regional Athletics. Both boys represented the school at the highest level, showing incredible dedication to sport. King and Tate - we are incredibly proud of you!

Arrangements for next week.

Next week I will be attending the grade 5/6 camp with Mrs. Hoy, Mrs. Ryan, Mrs. Karcew and Mr. Kane. While I am away, please reach out to Amy Cooper regarding any questions you might have. Mrs. Foggenberger will be out of the classroom on Wednesday to support the day-to-day needs of our school. We are incredibly lucky to have a fantastic staff at KDPS. Please reach out if required.

We have Baby News!

We are delighted to share some happy news that Maggie Walkley is expecting a baby in 2027.

We know you will join us in congratulating Maggie and Matt as they prepare for this exciting new chapter.

As the year progresses, we will keep families informed about any arrangements for the class during Maggie's leave. Our priority will be to ensure a smooth transition and maintain consistency in students' learning, wellbeing and classroom routines.

We Want to Celebrate Susan! Dress up in Hi Vis

On Monday the 26th of October we celebrate Susan Hand- our incredible crossing lady that has been with us for 17 years. All children are encouraged to wear hi vis on this day. Susan will join us for a whole school parade at 9am in honor of her time at KDPS.

We will also have a donut day on this day where children can purchase a hot jam donut for one dollar (limit 2 per child) Order forms sent home today. Please return by Friday 23rd of October.

Thank you to the student leaders for their assistance in the organization of this event.

Welcome to the Team Lucy.

We are super excited to announce that Lucy Young will be staying with us in 2027. As always, we thank Amie Timewell for her incredible time at KDPS and wish her the very best with her adventures in the Northern Territory.

Grade 5/6 Camp

Excitement is building as our Grade 5/6 students prepare for three days and two nights at Sovereign Hill in Ballarat! We will leave school on Monday at 9:30 am, ready to bring our learning about the gold rush, Peter Lalor and the Eureka Stockade to life. Building on our class novel, *The Night They Stormed Eureka*, students will explore life on the goldfields through a mine tour, gold panning and educational programs, deepening their understanding of fairness and how Australia's democracy developed. Monday night's AURA show will be another special highlight. We look forward to a wonderful camp filled with learning, growing independence, friendships, memories and hopefully some gold to treasure.

Nits/Headlice in our School

This week we have had a report of Headlice in our school. Please ensure you are checking your child/ren's hair and treat if required.

Head lice and exclusion from school

According to the Public Health and Wellbeing Regulations 2019, children with untreated head lice are not permitted to attend school or children's service centers. However, once treatment has started, they may attend, even if there are still some eggs present.

Below is a link for more information

Head lice (nits) | Better Health Channel

Xuno Approvals

We are continually following up on Xuno approvals on the morning of excursions. Please ensure that you are on top of school events and ensure that approval is completed **48 hours prior to the event**.

All events that occur outside of the school ground will have a Xuno notification and approval. This is a part of our child safety requirements.

Reports Term Four

The way we do reports is changing Victorian wide.

The Department of Education has updated its student reporting policy to support a more consistent statewide approach to reporting student achievement and progress. The changes are intended to make reports clearer for parents and easier for teachers to prepare. Where comments are used, they provide plain English information about what a student has learned, and the progress they have made. The updated approach will also improve the consistency of information shared when students move between schools, particularly from primary to secondary school.

What's changing in our reports

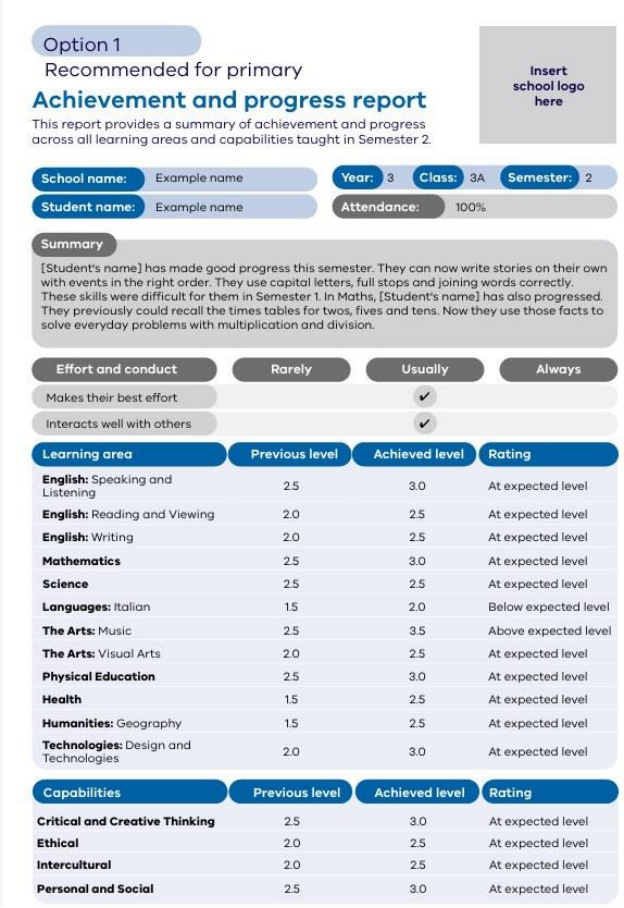

Your child's report will illustrate their progress and achievements in each learning area and capability, showing:

- your child's achievement level in each learning area and capability for that semester. This will be rated against a 5-point scale.
- their progress since the last report
- a brief summary comment (primary)
- a general rating of your child’s effort and conduct (primary)
- a rating of your child’s effort and conduct in each learning area and capability (secondary)
- a brief general comment (specialist school)
- achieved learning goals (specialist school)

How we'll keep in touch during the semester

You can check your child’s learning anytime. Just log into Seesaw parent portal.

If you have any questions about these changes, please contact the school. I have attached an image of the proposed 2027 report format. KDPS will begin the transitioning process this year ensuring that we provide a clear, explicit description of your child's learning in core learning areas (Literacy and Numeracy).

Option 1

Recommended for primary

Achievement and progress report

This report provides a summary of achievement and progress across all learning areas and capabilities taught in Semester 2.

Insert school logo here

School name: Example name | Year: 3 | Class: 3A | Semester: 2

Student name: Example name | Attendance: 100%

Summary

[Student's name] has made good progress this semester. They can now write stories on their own with events in the right order. They use capital letters, full stops and joining words correctly. These skills were difficult for them in Semester 1. In Maths, [Student's name] has also progressed. They previously could recall the times tables for twos, fives and tens. Now they use those facts to solve everyday problems with multiplication and division.

Effort and conduct	Rarely	Usually	Always

Dad's Night at Warrnambool Football and Netball Club

Dear Parents,

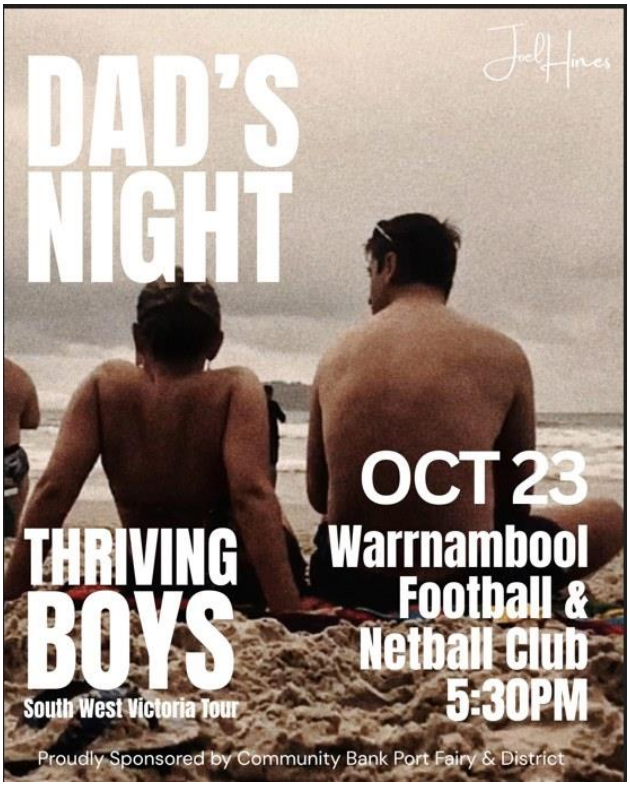

I would like to share with you some information about an upcoming event happenning in our region.

On Friday 23rd October Joel Hines is running a "Dad's Night" at Warrnmabool Football and Netball Club for boys between 11 - 14 and their fathers or a significant man in their life.

This event is aimed at creating a community of support around the boys of the Warrnambool region so that they can thrive and become the best they can be while strengthening connection and relationships.

The evening is completely free thanks to the generous support of Community Bank Port Fairy and District.

Register your interest or find out more here.

Collins Booksellers - Kids Club

This year we decided to support our local Collins Booksellers with the introduction of Kids Club to our school. This is similar to the Bookclub we have had in the past with the added bonus of supporting local. All students will have received a copy this week. Orders are due 31st of October and delivered to the school on the 9th of November. This is the perfect time to start your Christmas shopping!

Let's get behind local business!

7-10 HB
Ever wondered how your favourite colour got from nature into your paints?

What a stellar read!

GUINNESS WORLD RECORDS 2007
Guinness World Records
$46.99
7-99 HB
This edition goes green! From the dazzling cover, to frogs, emeralds, Yoda, the incredible Hulk, and Wicked's Elphaba.

FREE ERASABLE PEN WITH EVERY $20 SPENT!

Connect

Term four will see the development of our Connect program along with Lauren's Life Skills and cooking with Lauren.

This week Lauren has taken some children out to work in the garden. Lauren has shared how wonderful the children were working alongside her to improve our garden area.

It was great to see many children enjoy the time in the garden with Mrs. Ryan on Tuesday.

Grade structures for 2027

Grade structures for 2027 are currently being refined. As per last year all children will experience five transition visits with their classroom teacher of 2027 where possible. Transition dates are: 11th, 18th and 25th November, the 2nd of December (2:25-3:25) and 8th of December being the half day transition day (9:00-1:30). We look forward to the children building relationships with their peers before the 2027 school year. Please note foundation children will finish at 3:15 pm for ease of pick up.

The grade structures for 2027 include

F/1

F/1

2/3

2/3

4/5

4/5

6

6

Grade structures are determined based on numbers of children in each cohort. The process that we go through is intensive to ensure that we have the best grade options for our children. The above grades allow us to maintain our incredibly effective learning communities while maintaining class sizes across the school.

Important Dates - please pop them in your calendar.

PUPIL FREE DAYS

20th November- Assessment and Reporting Day - Theircare Available

Transition Dates for all students.

11th November- 2:25-3:25pm (3:15 for preps)

18th November- 2:25-3:25pm (3:15 for preps)

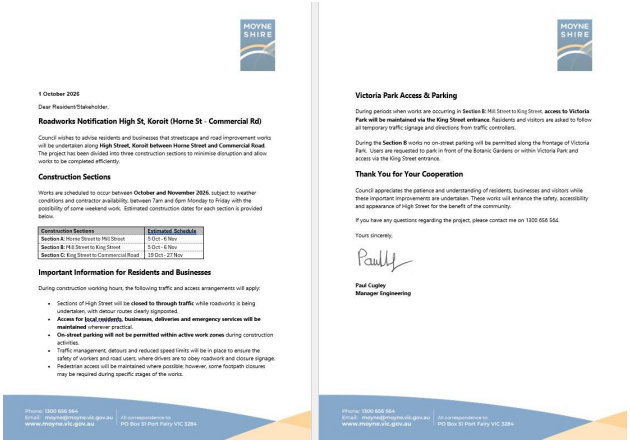

25th November- 2:25-3:25pm (3:15 for preps)

2nd of December- 2:25-3:25pm (3:15 for preps)

8th of December from 9:00- 1:30 pm (12:30 for preps)

Roadworks on High Street - October & November

Please see the attached information regarding roadworks in October and November that may affect your travels to and from school.

1 October 2025

Dear Resident/Stakeholder,

Roadworks Notification High St, Koroit (Horne St - Commercial Rd)

Council wishes to advise residents and businesses that streetscape and road improvement works will be undertaken along **High Street, Koroit between Horne Street and Commercial Road**. The project has been divided into three construction sections to minimise disruption and allow works to be completed efficiently.

Construction Sections

Works are scheduled to occur between **October and November 2026**, subject to weather conditions and contractor availability, between 7am and 6pm Monday to Friday with the possibility of some weekend work. Estimated construction dates for each section is provided below.

Construction Sections	Estimated Schedule
Section A: Horne Street to Mill Street	5 Oct - 6 Nov
Section B: Mill Street to King Street	9 Oct - 4 Nov
Section C: King Street to Commercial Road	19 Oct - 27 Nov

Important Information for Residents and Businesses

During construction working hours, the following traffic and access arrangements will apply:

- Sections of High Street will be **closed to through traffic** while roadworks is being undertaken, with detour routes clearly signposted.
- **Access for local residents, businesses, deliveries and emergency services will be maintained** wherever practical.
- **On-street parking will not be permitted within active work zones** during construction activities.
- Traffic management, detours and reduced speed limits will be in place to ensure the safety of workers and road users; where drivers are to obey roadwork and closure signage.
- Pedestrian access will be maintained where possible; however, some footpath closures may be required during specific stages of the works.

Phone: 1300 656 564
Email: moyne@moyne.vic.gov.au
www.moyne.vic.gov.au
All correspondence to
PO Box 51 Port Fairy VIC 3284

Victoria Park Access & Parking

During periods when works are occurring in **Section B:** Mill Street to King Street, **access to Victoria Park will be maintained via the King Street entrance**. Residents and visitors are asked to follow all temporary traffic signage and directions from traffic controllers.

During the **Section B** works no on-street parking will be permitted along the frontage of Victoria Park. Users are requested to park in front of the Botanic Gardens or within Victoria Park and access via the King Street entrance.

Thank You for Your Cooperation

Council appreciates the patience and understanding of residents, businesses and visitors while these important improvements are undertaken. These works will enhance the safety, accessibility and appearance of High Street for the benefit of the community.

If you have any questions regarding the project, please contact me on 1300 656 564.

Yours sincerely,

Paul Cugley
Manager Engineering

Bushfire Preparation Information

In preparation for the upcoming bushfire season we would like all families to note the below information. It is critical that we have all contact details up to date including mobile phone numbers. Please reach out if you need to update any of your information.

Newsletter and website article: Schools in Category 3 on the Bushfire At-Risk Register and the Category 4 List

School preparations for the bushfire season

Each year, we undertake a range of activities to ensure the safety of our school and to prepare for bushfires and grassfires.

An important part of this process is communicating to parents what will happen when certain fire danger ratings are issued to help ensure the safety of students and staff.

Our school has been identified as being at risk of bushfire or grassfire and is a Category 4 school.

Our school will **close** on a day forecasted as **Catastrophic fire danger rating** in **South West fire district.**

Closure of the school due to a Catastrophic fire danger rating will be enacted when the Bureau of Meteorology forecast and related public safety messaging are confirmed. Due to uncertainties in the forecast, the timing of this confirmation may vary. Information regarding potential or confirmed Catastrophic fire danger days will be communicated to you by Xuno message and Email.

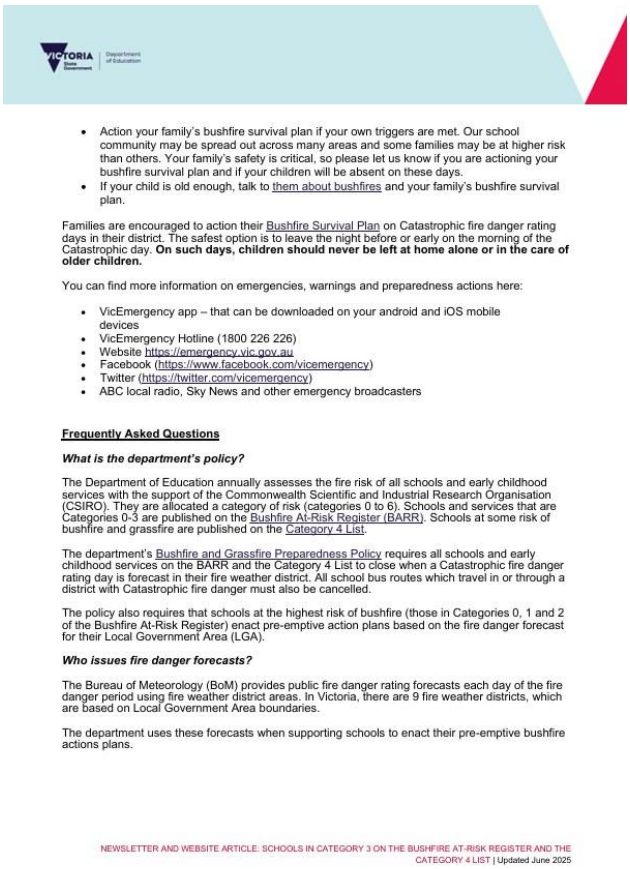

It is also important to be aware that:

- No one will be on site on days where the school is closed due to a forecast Catastrophic day.
- Out-of-school-hours care will also be cancelled on these days.
- All bus routes that travel through the Catastrophic area will be cancelled.
- School camps will be cancelled if a Catastrophic fire danger rating day is forecast for fire weather district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

As part of preparing our school for the fire season, we have updated and completed our Emergency Management Plan and cleared our facility's grounds and gutters.

What can families and the school community do to help us prepare?

- Ensure we have your current contact details, including your mobile phone numbers.
- Keep in touch with us by reading our newsletters, checking our website https://www.koroitps.vic.edu.au/, by talking to your child's teacher or any other member of staff about our emergency management plan.
- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements if our school is closed due to Catastrophic fire danger. Further information can be found on the CFA's website.

- Action your family's bushfire survival plan if your own triggers are met. Our school community may be spread out across many areas and some families may be at higher risk than others. Your family's safety is critical, so please let us know if you are actioning your bushfire survival plan and if your children will be absent on these days.
- If your child is old enough, talk to them about bushfires and your family's bushfire survival plan.

Families are encouraged to action their Bushfire Survival Plan on Catastrophic fire danger rating days in their district. The safest option is to leave the night before or early on the morning of the Catastrophic day. **On such days, children should never be left at home alone or in the care of older children.**

You can find more information on emergencies, warnings and preparedness actions here:

- VicEmergency app – that can be downloaded on your android and iOS mobile devices

- ABC local radio, Sky News and other emergency broadcasters

Frequently Asked Questions

What is the department's policy?

The Department of Education annually assesses the fire risk of all schools and early childhood services with the support of the Commonwealth Scientific and Industrial Research Organisation (CSIRO). They are allocated a category of risk (categories 0 to 6). Schools and services that are Categories 0-3 are published on the Bushfire At-Risk Register (BARR). Schools at some risk of bushfire and grassfire are published on the Category 4 List.

The department's Bushfire and Grassfire Preparedness Policy requires all schools and early childhood services on the BARR and the Category 4 List to close when a Catastrophic fire danger rating day is forecast in their fire weather district. All school bus routes which travel in or through a district with Catastrophic fire danger must also be cancelled.

The policy also requires that schools at the highest risk of bushfire (those in Categories 0, 1 and 2 of the Bushfire At-Risk Register) enact pre-emptive action plans based on the fire danger forecast for their Local Government Area (LGA).

Who issues fire danger forecasts?

The Bureau of Meteorology (BoM) provides public fire danger rating forecasts each day of the fire danger period using fire weather district areas. In Victoria, there are 9 fire weather districts, which are based on Local Government Area boundaries.

The department uses these forecasts when supporting schools to enact their pre-emptive bushfire actions plans.

BIG LIFE

Term 4 Weeks 1 & 2

This fortnight students have been practicing spotting **strengths** in themselves and others. Strengths are the positive qualities that make us who we are, and help us navigate life's ups and downs- like kindness, bravery, creativity, and teamwork. Noticing these strengths in ourselves helps us understand what we bring to different situations. Spotting strengths in others helps us connect, build friendships, and make people feel valued.

Ways we can support strength spotting at home:

1. **Name the strength.** E.g. "That was great teamwork."
2. **Explain what you saw.** E.g. "I noticed you helped set the table."
3. **Appreciate why it matters.** E.g. "It made the job quicker and easier for everyone."

By practicing this, children learn to see the good in themselves and in others, and to celebrate the strengths that make everyone unique.

Big Life with Mel

On Friday of week 2, Grade 5/6 classes discussed their worries and wonderings about **high school** and focused on skills that will assist them in the coming years, such as building healthy habits, trying new things & staying organised. Grade 3/4s learned about **rights** and **responsibilities** and practiced gratitude for people in their lives who help protect their rights.
