

Koroit and District Primary School - 30th October 2026

Here is the land.

Here is the sky.

Here are my friends and here am I

We thank the Peek Whurrong people for the land on which we learn and play.

Hands up, hands down – we're on Peek Whurrong ground.

Principal Report

This week, we began in the brightest way imaginable! A huge thank you to the many families who supported our Hi-Vis Day as we celebrated the incredible relationship we have shared with Susan over the past 17 years.

There could not have been a more fitting way to farewell someone who has been such a constant, caring and much-loved presence in our school community. Susan enjoyed one final opportunity to walk the crossing, accompanied by our Grade 6 students who formed a guard of honor in recognition of her extraordinary contribution. She then made her way along the fence line to acknowledge and farewell our Foundation to Grade 4 children, who watched on with such excitement and affection.

I have to admit; this was one farewell I was hoping I wouldn't have to see. Some people become so much more than the role they hold, and Susan is certainly one of those people. For 17 years, she has been a familiar face, a reassuring presence and a much-loved part of the daily life at Koroit and District families. There are simply no words that can adequately express our gratitude for the care, commitment and positive impact she has had on generations of our young children. The difference she has made extends far beyond helping children cross the road safely; she has helped them feel seen, valued and cared for.

As one of our School Councilors so beautifully put it, *"I am not sure how I am going to remember where I parked my car!"* I suspect this parent is far from alone! It is a wonderful reminder of just how much Susan has become woven into the fabric of our community. I am also certain that, given the chance to sit down over a cuppa, Susan could share countless stories, special moments and memories from her years as our much-loved crossing lady. What a privilege it has been to have her as part of our everyday lives for so long.

Susan, you truly are a gem. Your warmth, dedication and genuine care for our children and families have left an indelible mark on Koroit and District. You have been part of so many childhood memories, so many morning greetings and so many moments that might seem small but have meant so much.

You are going to be incredibly hard to replace, not simply because of the role you have fulfilled, but because of the person you are and the relationships you have built along the way.

Thank you, Susan, for 17 wonderful years of care, kindness and commitment. You have made our community brighter in more ways than you will ever know, and while we are excited for you as you begin this next chapter, you will be missed more than words can say.

Grade 3/4 Winter Sports

Last week many of our grade 3/4 children attending the Winter Sports in Port Fairy. Children were engaged in football, netball and soccer. None of this is possible without our army of teachers and the very appreciated volunteer coach- Ben Julius.

Thanks also for the many parents who came over to support their children during this time.

School Council

School council will be held on Monday night at 7 pm in the staff room.

School Damage

Our school should be a welcoming place where everyone can learn, connect and enjoy. However, the past few weekends we have had visitors who have left, rubbish and soft drink bottles around the grounds, and damage to school property which has resulted in unnecessary repair costs. The basketball court is now impacted by children who have ridden and skidded on the surface, impacting the safety of all of our students. If you are using the school grounds unsupervised please take the time to clean up after yourself and respect the hard work of our families to provide an aesthetic school for all.

Grade 2/3 Excursion & Grade 2 Sleepover

On Thursday, Grade 2/3 students travelled to the 12 Apostles and Bay of Islands as part of our inquiry unit for term 4, where they learned about landmarks of Australia. The children enjoyed

the new facilities and were one 40 out of 3000 visitors who have attended the 12 apostles each day. Thank you to Brad for standing in for Mr. Ellison who fell ill during the week.

Grade 2 students stayed on at school for a sleepover with Mrs. Mac, Mrs. Lathwell and Miss Immy. The children enjoy the playground to themselves after school, a walk to the gardens, sausages, and ice cream while watching the movie oddball. It was fabulous to see the children enjoy their peers and support each other throughout the evening. Thank you to Miss Immy and Mrs Lathwell for providing this opportunity for our children.

Attendance

The Attendance and Absence Recording Guide assists schools in recording different types of attendances and absences accurately. This is important to:

- ensure the safety and wellbeing of all students by monitoring their attendance.
- assist in identifying and resolving barriers to education when a student is absent often and if the student needs additional support to attend school.
- assist schools in meeting their duty of care to minimise the risk of reasonably foreseeable harm to a student.
- enable DE to meet reporting requirements at a State and Commonwealth level.

Standard codes

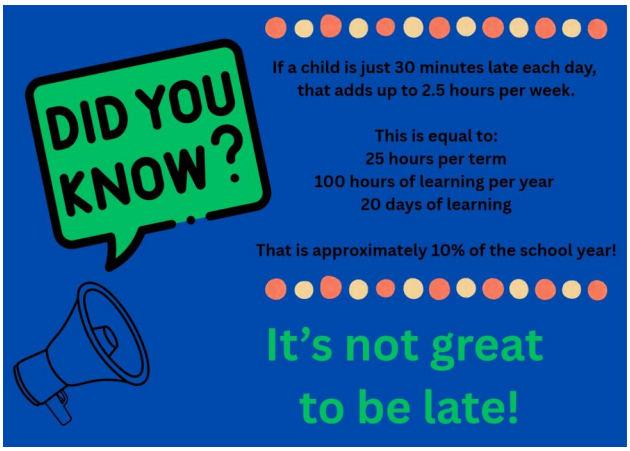

- When a student attends, this should be recorded as 100 – Present.
- When a student is absent, but a reason has not yet been established, this should be recorded as 500 – Unexplained. This should later be changed when the absence has been followed up and an explanation is received.

Recording attendance

For all students who are attending school, attendance recording should be:

- In primary schools, attendance must be recorded twice every day

Please ensure that where possible you inform the school of reasons for absence using Xuno or contact the office on 55658332.

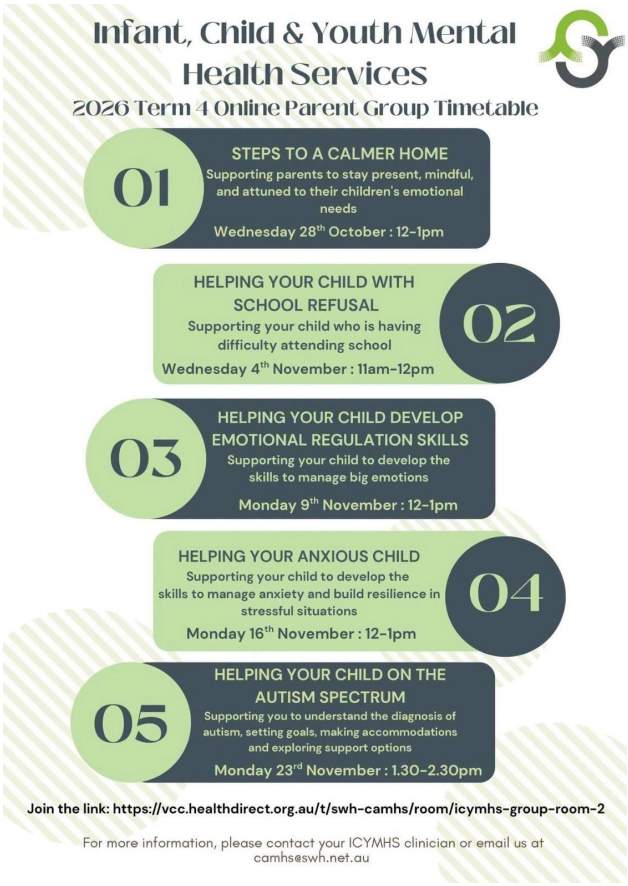

Southwest Healthcare - Circle of Security

TERM 4 SESSIONS START WEDNESDAY 28 OCTOBER! Are you a parent or carer looking for ways to support your child's emotional wellbeing while navigating the challenges of family life? South West Healthcare's Infant, Child & Youth Mental Health Services are offering FREE online parenting sessions throughout Term 4 to help families build skills, confidence and practical strategies to support their children.

- Wednesday 28th October 12-1pm, Wednesday 4th November 11am-12pm, Monday 9th November 12-1pm, Monday 16th November 12-1pm & Monday 23rd November 1:30-2:30pm
- Online

No registration required! Simply click the link below when it's time to join.

Circle of Security Link

Gastro in our School

We have had reports of Gastro in our school this week. If your child/ren are having symptoms please ensure you are keeping them at home to reduce the spread. Below is the departments exclusion period for Gastro.

Diarrhoeal illness

In an outbreak of gastroenteritis,exclude until there has not been vomiting or a loose bowel motion for 48 hours. For sporadic cases of gastroenteritis,exclude until there has not been vomiting or a loose bowel motion for 24 hours.

Xuno Approvals

We are continually following up on Xuno approvals on the morning of excursions. Please ensure that you are on top of school events and ensure that approval is completed **48 hours prior to the event**.

All events that occur outside of the school ground will have a Xuno notification and approval. This is a part of our child safety requirements.

Scholastic Book Fair - November 10 to 12

📚 Book Fair Coming Soon! 📚

Our annual Book Fair is returning to the school library from **Tuesday 10 November to Thursday 12 November**, with loads of new books on sale for our students to explore, discover and enjoy.

Families are invited to visit before and after school each day (**8:30-9:30am** and **2:30-3:30pm**). An additional session will be held on **Wednesday from 11:00am-12:00pm** to coincide with our Remembrance Day activities.

Students will have the opportunity to browse the books with their class and create wish lists on **Monday 9 November** before sales begin.

The Book Fair is a wonderful way to foster a love of reading and get children excited about books. Every purchase also helps raise valuable funds and resources for our school library, benefiting all students.

Reports Term Four

The way we do reports is changing Victorian wide.

The Department of Education has updated its student reporting policy to support a more consistent statewide approach to reporting student achievement and progress. The changes are intended to make reports clearer for parents and easier for teachers to prepare. Where comments are used, they provide plain English information about what a student has learned, and the progress they have made. The updated approach will also improve the consistency of

information shared when students move between schools, particularly from primary to secondary school.

What's changing in our reports

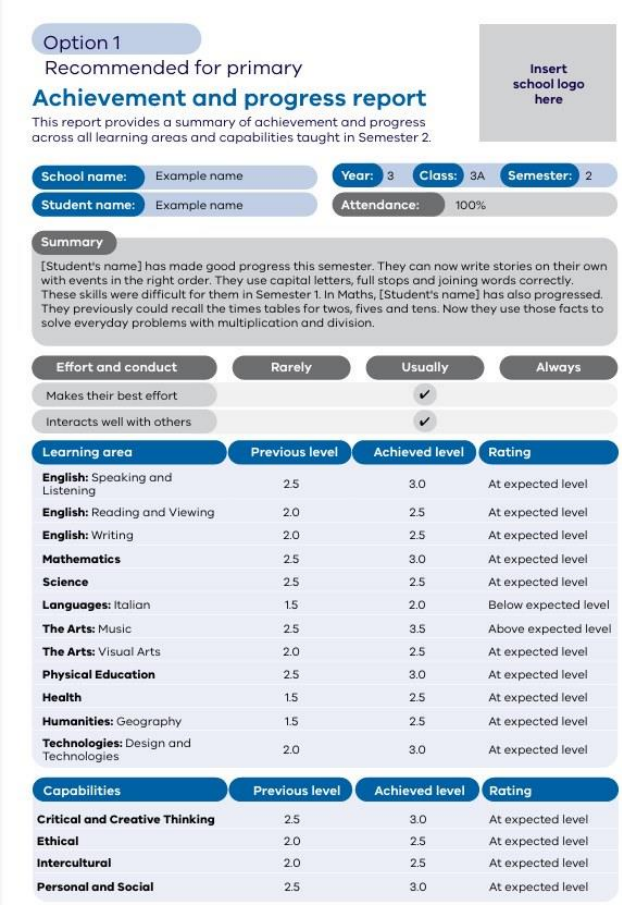

Your child's report will illustrate their progress and achievements in each learning area and capability, showing:

- your child's achievement level in each learning area and capability for that semester. This will be rated against a 5-point scale.
- their progress since the last report
- a brief summary comment (primary)
- a general rating of your child's effort and conduct (primary)
- a rating of your child's effort and conduct in each learning area and capability (secondary)
- a brief general comment (specialist school)
- achieved learning goals (specialist school)

How we'll keep in touch during the semester

You can check your child's learning anytime. Just log into Seesaw parent portal.

If you have any questions about these changes, please contact the school. I have attached an image of the proposed 2027 report format. KDPS will begin the transitioning process this year ensuring that we provide a clear, explicit description of your child's learning in core learning areas (Literacy and Numeracy).

Option 1

Recommended for primary

Achievement and progress report

This report provides a summary of achievement and progress across all learning areas and capabilities taught in Semester 2.

Insert school logo here

School name: Example name | Year: 3 | Class: 3A | Semester: 2

Student name: Example name | Attendance: 100%

Summary

[Student's name] has made good progress this semester. They can now write stories on their own with events in the right order. They use capital letters, full stops and joining words correctly. These skills were difficult for them in Semester 1. In Maths, [Student's name] has also progressed. They previously could recall the times tables for twos, fives and tens. Now they use those facts to solve everyday problems with multiplication and division.

Guinness World Records
$46.99
7-99 HB
This edition goes green! From the dazzling cover, to frogs, emeralds, Yoda, the incredible Hulk, and Wicked's Elphaba.

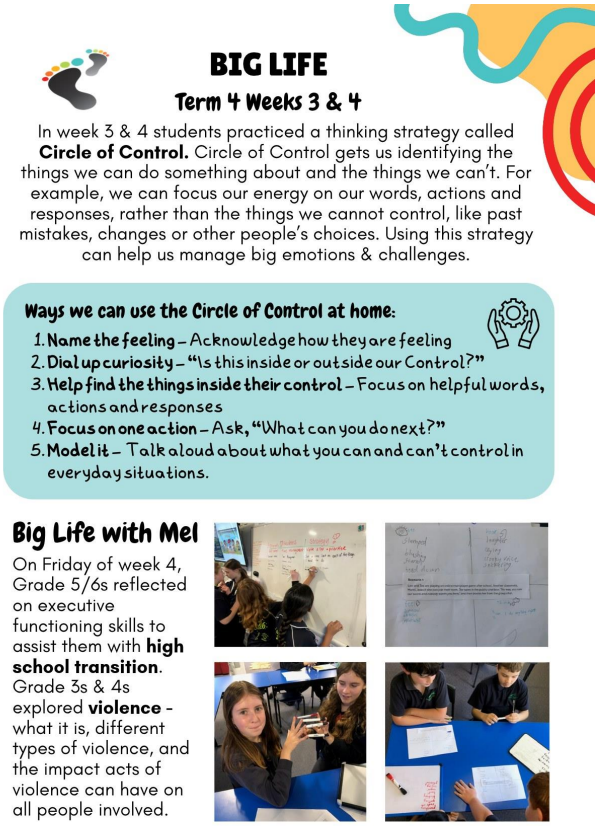

FREE ERASABLE PEN WITH EVERY $20 SPENT!

Connect

This week we welcome David Holscher back from leave. Dave enjoyed hours in the garden with the grade 3/4 children and Mrs. Vesey. Lauren continues with her Life Skills with Lauren program on Tuesdays and Thursdays with selected students. Mrs. Ryan had approximately 20 children in the garden this week mulching, weeding and cutting back the garden. The team around the learner is clearly evident at KDPS.

Big Life

Grade structures for 2027

Grade structures for 2027 are currently being refined. As per last year all children will experience five transition visits with their classroom teacher of 2027 where possible. Transition dates are: 11th, 18th and 25th November, the 2nd of December (2:25-3:25) and 8th of December being the half day transition day (9:00-1:30). We look forward to the children building relationships with their peers before the 2027 school year. Please note foundation children will finish at 3:15 pm for ease of pick up.

The grade structures for 2027 include

F/1

F/1

2/3

2/3

4/5

4/5

6

6

Grade structures are determined based on numbers of children in each cohort. The process that we go through is intensive to ensure that we have the best grade options for our children. The above grades allow us to maintain our incredibly effective learning communities while maintaining class sizes across the school.

Children will receive their letter to indicate their classroom teacher for 2027 on Tuesday 10th of November, the night before the first transition visit. Please remember that change can be hard and the first transition is always fraught with anxiety. Anxiety is a normal process and can be addressed by acknowledging concerns and looking at the positives. Please reach out if you have any concerns.

Important Dates

PUPIL FREE DAYS

20th November- Assessment and Reporting Day - Theircare Available

Transition Dates for all students.

11th November- 2:25-3:25pm (3:15 for preps)

18th November- 2:25-3:25pm (3:15 for preps)

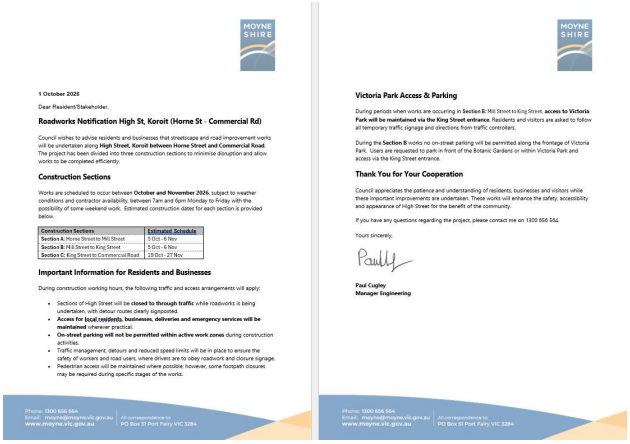

25th November- 2:25-3:25pm (3:15 for preps)

2nd of December- 2:25-3:25pm (3:15 for preps)

8th of December from 9:00- 1:30 pm (12:30 for preps)

Roadworks on High Street - October & November

Please see the attached information regarding roadworks in October and November that may affect your travels to and from school.

1 October 2025

Dear Resident/Stakeholder,

Roadworks Notification High St, Koroit (Horne St - Commercial Rd)

Council wishes to advise residents and businesses that streetscape and road improvement works will be undertaken along **High Street, Koroit between Horne Street and Commercial Road**. The project has been divided into three construction sections to minimise disruption and allow works to be completed efficiently.

Construction Sections

Works are scheduled to occur between **October and November 2026**, subject to weather conditions and contractor availability, between 7am and 6pm Monday to Friday with the possibility of some weekend work. Estimated construction dates for each section is provided below.

Construction Sections	Estimated Schedule
Section A: Horne Street to Mill Street	5 Oct - 6 Nov
Section B: Mill Street to King Street	9 Oct - 4 Nov
Section C: King Street to Commercial Road	19 Oct - 27 Nov

Important Information for Residents and Businesses

During construction working hours, the following traffic and access arrangements will apply:

- Sections of High Street will be **closed to through traffic** while roadworks is being undertaken, with detour routes clearly signposted.
- **Access for local residents, businesses, deliveries and emergency services will be maintained** wherever practical.
- **On-street parking will not be permitted within active work zones** during construction activities.
- Traffic management, detours and reduced speed limits will be in place to ensure the safety of workers and road users; where drivers are to obey roadwork and closure signage.
- Pedestrian access will be maintained where possible; however, some footpath closures may be required during specific stages of the works.

Phone: 1300 656 564
Email: moyne@moyne.vic.gov.au
www.moyne.vic.gov.au
All correspondence to
PO Box 51 Port Fairy VIC 3284

Victoria Park Access & Parking

During periods when works are occurring in **Section B:** Mill Street to King Street, **access to Victoria Park will be maintained via the King Street entrance**. Residents and visitors are asked to follow all temporary traffic signage and directions from traffic controllers.

During the **Section B** works no on-street parking will be permitted along the frontage of Victoria Park. Users are requested to park in front of the Botanic Gardens or within Victoria Park and access via the King Street entrance.

Thank You for Your Cooperation

Council appreciates the patience and understanding of residents, businesses and visitors while these important improvements are undertaken. These works will enhance the safety, accessibility and appearance of High Street for the benefit of the community.

If you have any questions regarding the project, please contact me on 1300 656 564.

Yours sincerely,

Paul Cugley
Manager Engineering

Bushfire Preparation Information

In preparation for the upcoming bushfire season we would like all families to note the below information. It is critical that we have all contact details up to date including mobile phone numbers. Please reach out if you need to update any of your information.

Newsletter and website article: Schools in Category 3 on the Bushfire At-Risk Register and the Category 4 List

School preparations for the bushfire season

Each year, we undertake a range of activities to ensure the safety of our school and to prepare for bushfires and grassfires.

An important part of this process is communicating to parents what will happen when certain fire danger ratings are issued to help ensure the safety of students and staff.

Our school has been identified as being at risk of bushfire or grassfire and is a Category 4 school.

Our school will **close** on a day forecasted as **Catastrophic fire danger rating** in **South West fire district.**

Closure of the school due to a Catastrophic fire danger rating will be enacted when the Bureau of Meteorology forecast and related public safety messaging are confirmed. Due to uncertainties in the forecast, the timing of this confirmation may vary. Information regarding potential or confirmed Catastrophic fire danger days will be communicated to you by Xuno message and Email.

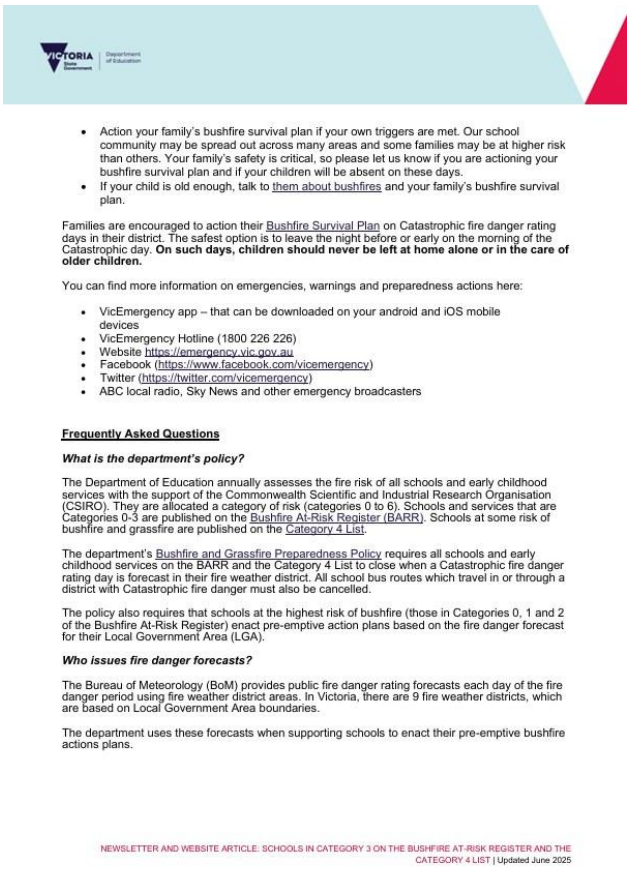

It is also important to be aware that:

- No one will be on site on days where the school is closed due to a forecast Catastrophic day.
- Out-of-school-hours care will also be cancelled on these days.
- All bus routes that travel through the Catastrophic area will be cancelled.
- School camps will be cancelled if a Catastrophic fire danger rating day is forecast for fire weather district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

As part of preparing our school for the fire season, we have updated and completed our Emergency Management Plan and cleared our facility's grounds and gutters.

What can families and the school community do to help us prepare?

- Ensure we have your current contact details, including your mobile phone numbers.
- Keep in touch with us by reading our newsletters, checking our website https://www.koroitps.vic.edu.au/, by talking to your child's teacher or any other member of staff about our emergency management plan.
- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements if our school is closed due to Catastrophic fire danger. Further information can be found on the CFA's website.

- Action your family's bushfire survival plan if your own triggers are met. Our school community may be spread out across many areas and some families may be at higher risk than others. Your family's safety is critical, so please let us know if you are actioning your bushfire survival plan and if your children will be absent on these days.
- If your child is old enough, talk to them about bushfires and your family's bushfire survival plan.

Families are encouraged to action their Bushfire Survival Plan on Catastrophic fire danger rating days in their district. The safest option is to leave the night before or early on the morning of the Catastrophic day. **On such days, children should never be left at home alone or in the care of older children.**

You can find more information on emergencies, warnings and preparedness actions here:

- VicEmergency app – that can be downloaded on your android and iOS mobile devices

- ABC local radio, Sky News and other emergency broadcasters

Frequently Asked Questions

What is the department's policy?

The Department of Education annually assesses the fire risk of all schools and early childhood services with the support of the Commonwealth Scientific and Industrial Research Organisation (CSIRO). They are allocated a category of risk (categories 0 to 6). Schools and services that are Categories 0-3 are published on the Bushfire At-Risk Register (BARR). Schools at some risk of bushfire and grassfire are published on the Category 4 List.

The department's Bushfire and Grassfire Preparedness Policy requires all schools and early childhood services on the BARR and the Category 4 List to close when a Catastrophic fire danger rating day is forecast in their fire weather district. All school bus routes which travel in or through a district with Catastrophic fire danger must also be cancelled.

The policy also requires that schools at the highest risk of bushfire (those in Categories 0, 1 and 2 of the Bushfire At-Risk Register) enact pre-emptive action plans based on the fire danger forecast for their Local Government Area (LGA).

Who issues fire danger forecasts?

The Bureau of Meteorology (BoM) provides public fire danger rating forecasts each day of the fire danger period using fire weather district areas. In Victoria, there are 9 fire weather districts, which are based on Local Government Area boundaries.

The department uses these forecasts when supporting schools to enact their pre-emptive bushfire actions plans.

Victoria's Container Deposit Scheme

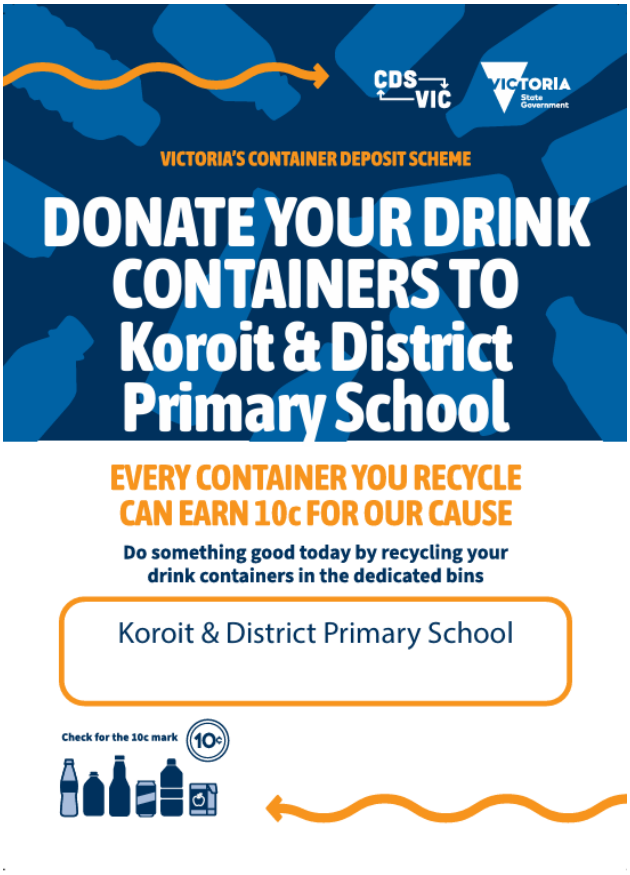

Did you know that you can donate your 10 cent container refunds directly to our school?

All you have to do is deposit your eligible 10 cent containers into any of the container deposit refund points, scan our unique barcode and you have helped fundraise for our school. It is that simple!

DRAMAFEST
MONKS 'dramatic' CHOIR
November
Sunday 15th
Mozart Hall
Gillies St
Warrnambool
BOOK HERE
Big Dreams Start in Small Towns!
Where Drama Meets Music!
DRAMAFEST is bringing something NEW to the stage with
MONKS DRAMATIC CHOIR!
Grade 2 - Yr 10 ONLY : 11am - 12.30pm $23.50
Join international award-winning performing artist Jennifer Monk and very special guest Milly Monk, singer, songwriter and former contestant on The Voice, for a fun-filled workshop combining drama, music and performance!
Participants will explore creative drama games, warm up their voices and discover what it takes to learn, rehearse and perform a song together.
From building confidence and finding their voice to working as an ensemble, this workshop is all about creativity, collaboration and the joy of performing!
